Re: Air conditioning (Ruud Condensing Unit (CU))

I am pleased to quote the compressor replacement for the RUUD condensing unit on the roof for the cooling system servicing the Police Desk.

Included are:

- Recovery of existing refrigerant
- Removal and disposal of the existing Compressor (Mod# ZR61KCTF5-250)
- Replacement compressor
- Refrigerant 22 or HFC-438a
- Replacement of liquid line Filter Drier
- Replacement Suction line Filter Drier
- Addition of High pressure control
- Addition of Low pressure control
- Replacement of three pole contactor
- 3 – 30 amp time delay fuses
- Labor for the above described work
- One Year Parts and Labor Warranty

Excluded are: Any work to the indoor Air Handling Unit (AHU), any permits or their costs.

Price for the above-described work: \$2,700.00 plus sales tax

Recommended Options: (to be added to the above price if options are desired, must be done at time of compressor replacement)

Option 1: *Low ambient controls* (for winter operation if needed) **Option 1 Price: \$300.00**

Option 2: *Service indoor AHU* (clean and treat evaporator coil, replace belt if applicable, replace air filters) **Option 2 Price: \$275.00**

Terms: Net 30

Prices valid for thirty days
