Chief Mir,

The following is our proposal for replacement of indoor air handler and new condensing unit as requested.

We will provide and install the following:

I- Rheem/Rudd 4 Ton R-410A 13 SEER Air handler
I- Rheem/Rudd 4 Ton R-410A 13 SEER Condensing unit
I-3/8 x 7/8 x 35 foot insulated copper refrigerant line set
I-083 liquid line filter dryer
I-3/8 Moisture indicator / sight glass
I- 30 x 60 emergency drain pan (for under air handler unit as per New York State mechanical code)
Rigid sheet metal transitions to existing duct work

All labor calculated at current New York State prevailing wage rates

All work will conform to current building, mechanical and fire protection code.

Our price for the above outlined: \$ 9,750.00 (Nine thousand seven hundred fifty dollars)

This proposal is valid for thirty (30) days from date sent. If this proposal is accepted please let me know as to the time frame as soon as possible so that the work may be scheduled into our calendar. Again, thank you for this opportunity and please call with any questions.

WARRANTY OF WORK

Smalls Plumbing, Heating & A.C. will provide a warranty on their workmanship for a period of one (1) year from date of final invoice for the above named project. All materials and equipment shall be solely covered by the warranty provided by the manufacturer, any labor or material costs associated with replacement of such items and not covered by warranty shall be billed at current standard rates.

This proposal is valid for thirty (30) days from date sent. If this proposal is accepted please let me know as to the time frame as soon as possible so that the work may be scheduled into our calendar. Again, thank you for this opportunity and please call with any questions.

Sincerely,

Jerry Broskin, President
